

AUTHORIZATION TO OBTAIN CONSUMER REPORTS / CREDIT-BASED INSURANCE SCORE

I understand that in connection with my application for commercial automobile insurance, Rivington Insurance Services LLC (“Rivington Partners”) may obtain or use my credit report, which may include a credit-based insurance score based on information contained in that credit report. Rivington Partners may use a third party to provide the credit-based insurance score. I understand that my credit report and any credit-based insurance score related thereto will not be used for any purpose other than the underwriting of the commercial automobile insurance policy for which I applied.

I hereby authorize Rivington Partners to obtain a credit report and/or a credit-based insurance score based on my personal information provided. My authorization is continuing and valid for future reports obtained for renewal policies with Rivington Partners.
